Riverside Elementary School's

# BEDTIME STORIES!

In an effort to build your child's love of books, the staff of Riverside Elementary has created a **Bedtime Stories link on our website!** Your child can hear their favorite teachers and RES staff members read their favorite books.

When you don't have time or you don't have a book available— or anytime at all, use a smartphone, tablet or even your computer and visit the Riverside Elementary website. On the main page, on the right hand side, click the Bedtime Stories link.

Your child can listen to familiar classics and new stories read by their teachers (past, present, and future)!

**Enjoy!**
